**Re: Combined Auckland Grammar & St Cuthbert's Careers Night**

Dear Aaron,

On behalf of the Careers teams at both Auckland Grammar and St Cuthbert's College, I am writing to thank you for your input into the combined careers night held at Auckland Grammar on 6<sup>th</sup> of June. We have had hugely positive feedback from students and families based on the quality of the speakers and exhibitors who shared during the course of the evening. Thank you for your contribution!

It is so important that the students of both schools have access to a wide range of tertiary course providers information. Alongside this, having people who are currently working in a range of professions being able to share their wisdom and learning, is vital to help inform our students and further inspire them with the options available.

2020 sees this annual event move to St Cuthbert's College, under the superb leadership of Mrs Rhonda Vink and her team. It is my hope that both you and your organisation will continue to support this very worthwhile initiative next year and beyond.

If you wish to provide further feedback on how the evening could be improved, please do not hesitate to get in touch with either myself, [g.martin@ags.school.nz](mailto:g.martin@ags.school.nz) or Mrs Rhonda Vink at [rhonda.vink@stcuthberts.school.nz](mailto:rhonda.vink@stcuthberts.school.nz). Once again, my thanks for your input and support for this event.

Kind regards,

Graeme Martin
